Condolences

Voice of the Nile Coptic Association Board and Members were saddened by the departure of Mr. Demitry Fam, the fourth president of the Australian Coptic Association.

Mr. Fam was a loving person who worked tirelessly on behalf of the suffering Copts in Egypt. He was also a pillar that supported many organizations and individual activists to continue the fight for equal citizenship for the Copts.

Mr. Fam's illness did not stop him from helping many of the Copts in Australia, he was a kind person who lived to give, and we will always remember him for it. We share in the mourning of his family, friends, and the Copts with whom he worked.
